Dear [REDACTED]

[REDACTED]

Enclosed is correspondence from our school physician finding that your Doctor's request for exemption fails to meet the exemption standards articulated in New York State Department of Health Regulations. Accordingly, your son remains excluded from school on the basis that he has not presented evidence of immunization as required by the New York Public Health Law and Regulations.

Sincerely,

COXSACKIE-ATHENS CENTRAL SCHOOL DISTRICT

Mr. Randall Squier
Superintendent of Schools
Coxsackie-Athens Central School District
24 Sunset Boulevard
Coxsackie, NY 12051

Dear Mr. Squier:

Thank you for the opportunity to consult with you regarding the resubmission immunization exclusions criteria for [REDACTED]. I have again reviewed the Medical Exemption Physician's Certification, Public Health Law 2164 and Amendments in Chapter 35 of the Laws of 2019.

My professional interpretation remains that [REDACTED] does not qualify for a medical exemption. While the form is properly filled out on this submission, there remains no medical support for the exclusion.

Sincerely,

Stephen G. Hassett, MD, FACEP
School Physician – Coxsackie-Athens Central School District
